OUR EXPERIENCE

The race takes place on the nail-biting and narrow streets of Monaco, featuring many tight corners and varied elevations that combine to create one of the most demanding tracks in the world.

Monaco is not only about the Grand Prix. You can also experience the glitz and glamour of our superyacht during the weekend, which not only provides a prime Zone 1 location but also allows you to indulge in hospitality at its finest. Many A-list celebrities have this weekend marked in their diaries on a yearly basis.

We are pleased to invite you to join us on our Zone 1 superyacht for a weekend of unforgettable enjoyment. Sample the exquisite food and premium champagnes we have on offer while watching the leading Formula One stars take on the Monaco track from the comfort of our exclusive superyacht.

YACHT HOSPITALITY

For many Monaco aficionados, there is only one way to watch the Grand Prix: from the deck of a super yacht, with a glass of champagne in hand. We are delighted to offer this experience to our guests onboard our yacht; a magnificent luxury super yacht, moored just yards from the Monaco track.

Throughout the day, guests will be served delicious cuisine prepared by some of the best chefs in the Cote d'Azur. A complimentary bar, including champagne, will be running for the duration. The atmosphere within the harbour is electric, and over the weekend, you will have the opportunity to soak this up in true Monaco style.
